8/15 @ night Before bed *door opens* sit up from upside down position 'What're you doing?' 'never see people do that, can you take off the sweatshirt' 'want advil?' people take advil for headaches.

8/16 [M. Angelou] [Gather Together in My Name]
101, consider if you're serious (about army) cause if you are it'll be like volunteering for jail. I'll tell you when to sleep, eat, wakeup, work...
W.D., Lester Young, Billie Holiday, Louis Jordan, Buddy Johnson, Arthur "Big Boy" Crudup, III, Thome Smith Robert Benchley, Ann Petry, Thomas Wolfe, Richard Wright ? Hemingway, Dostoevsky's, Tolstoy, Gorki, 114, "Communists are ungodly Johnson. And this mans Army fights under God." ... Amazing book- these quotes are simply relevant to my current writings she digs deep into the heart, several passages took my breath and teary eyes re-read - heart speak to heart

megan hue since may - from portland drug addict programs- "criminal justice — :: - but couldn't stand that...
:: thoughts continued ?:

8/16-17 dream
taken to hospital, suspicious people - used stethoscope all over body - mild shock for each point he presses - "wow! arteries definately clogged" among other bodily dysfunct discovered, moved to room w/ people my age "she doesn't want me talking to other girls" to which I give advice she's immature, slow to develop..." make people laugh and make joke about jimmy being slow "5k?" don't take it back and compliment him on his prot- taken to courtyard where family is sitting laughing, thurs cake... "Baby" Melkennas voice wakes me up.
